

RESPONDING TO YOUR NEEDS

ERI Quality and Service

Why spend valuable hours of your staff's time trying to locate the right expert? With over 30,000 areas of expertise in our registry, helping you find the right expert is rarely a problem.

ERI SPECIALISTS can help you identify the area of expertise you need.

ERI REVIEWS your request with experts in the specialty you need before suggesting them to you.

ERI PROVIDES names, résumés and fee schedules to you at no cost. To help you in your selection, ERI will generally suggest more than one expert.

ERI FEES are built into the expert's rates. There is no charge to you unless you use the expert.

ERI PUTS YOU IN TOUCH with suggested experts promptly - response rate of over 90% within the first or second day. Same day response available.
